

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 6, 1995

SUBJECT: **SB 1571 - HB 1354**

This bill, if enacted, will provide that attendance in an alternative school shall be voluntary, unless ordered by a juvenile court judge, or unless the local board of education adopts a policy mandating attendance in either instance.

The fiscal impact from enactment of this bill is estimated to be an increase in local government* expenditures depending upon the number of students placed in alternative schools by juvenile court judges. Such increase cannot reasonably be determined but is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James A. Davenport, Executive Director

*Article II, Section 24 of the Tennessee Constitution provides that: *no law of general application shall impose increased expenditure requirements on cities or counties unless the General Assembly shall provide that the state share in the cost.*
